 *Thank you*

for entrusting us with your health care.

Please watch your mailbox starting in February. You may be receiving an important patient satisfaction survey which will give you the opportunity to rate our physicians. It is vital to evaluate our programs and physicians to ensure we are providing the best service possible.

We hope you're able to give your Heritage physicians high marks! This survey is equal to a physician's report card, and we welcome your honest input.

Please remember our Member Service team is always available to assist you.

Please visit our recently enhanced website for a wealth of information on everything happening at Heritage!
